## Be part of the team!

In a school of 700+ students, volunteering is not only important, it's fun, it's incredibly valued and valuable, it helps you meet people, your kids love it, and you are really part of a great team!

We understand everyone is busy, but **WHATEVER** you can do – it all helps!

## Be part of the team!

- **Once a year** – helping plan, or volunteer at an event
- **Once a term** – helping on a working bee or special project
- **Once a month** – helping at the canteen, uniform shop or in the classroom
- **Once a week** – helping on the P&C or in the classroom

Think about what skills you have - accounts, creative, food, retail, sports, events, logistics, building, bbq expert, musical, or just have some free time! Think how you could bring your expertise to the school.

The more of us that pull together, the more fun and easier it is.

You can be part of the P&C, help in the Canteen or Uniform Shop, volunteer an hour at an event, use your skills to help around the school, or just attend P&C meetings so you know what's happening and be part of the decision process.
