	Community consultation is underway for the potential change of Balgowlah and Mackeller high school to co-ed. This could also result in Manly Selective losing its 'selective' status, Freshwater turning 7-12. Have MVPS been notified/included. Vanessa - heard nothing so far.	Matt D
	Discussion around a Colour Run to fundraise for Year 6 . Previous Colour Run at MVPS raised \$50,000 for the Maker Space, but the prizes component involved a lot of work from P&C. P&C Social & Events already had plans for a colour run for October - could this be a shared fundraising opportunity with merchandise sales too. Tickets at \$15? Will hold any advertising until after the Gala. It was raised that last year P&C donated \$15/child to Year 6, if shared Colour Run fundraising, then there needs to be further discussion of no additional donation to Year 6, but the Colour Run could have a legacy for following years and shared fundraising. This meeting does not have quorum for voting, so we can discuss at the next P&C meeting. Discussed other fundraising opportunities including - 6/7 November Musicale	Nichole Alexander
