WELCOME TO TERM 4 ALL MVPS FAMILIES AND FRIENDS!

It is going to be a cracker of a term...

But, the biggest thing to focus on is NEXT WEEK! The biggest event to ever be run at MVPS - the **SCHOOL RUN4COLOUR EXPLOSION** is happening. Clear your diaries and get the kids ready for next Thursday, 24th October for the most incredible and fun experience.

Every student will need to **BRING THEIR OWN WHITE T-SHIRT**, and leggings or shorts. It can be a cheap or an old t-shirt, as the kids are going to get VERY colourful!!!! And don't forget to pack a change of clothes for their journey home at the end of the day. All families will be welcome to come and watch, or better still, volunteer to help at the event. The kids will be running with their teachers in their grade groups through the school day. The kids will each be given a pair of cool sunglasses, and the colour powder is hypo-allergenic. See all the info on the pages following.

The timing for your child's grade run {and bounce through the inflatable obstacles} can be found below. Keep a look out for notices via the Flexischools APP and FaceBook year pages for any last minute information.

We thank each and every child and family who have already raised an incredible amount of money through the online portal. There is still plenty of time to fundraise though. You can really easily set-up a fundraising link for each child by going to www.myprofilepage.com.au. It is secure, and super simple to do. If every child just raises \$40, it will help make the schools' new MAKER SPACE super incredible, and we will hit the target of \$30,000.

And a huge thank-you to the many volunteers who have already signed up to help on the day. And an enormous thank you to our Events guru's, Sam and Emma, who have worked tirelessly for months now to ensure the day will be a huge success and great fun for everyone.

DON'T FORGET: Next Tuesday 22nd October is our second last P&C meeting of 2019. See you at the School Teacher's staff room from 7.30pm - we hope you can join us.

Let's do this together MVPS. The School RUN4Colour Explosion is going to be THE BEST FUN EVER!!

Making your contribution

Just \$74 per year does make the difference

The MVPS P&C ensures your annual contribution is distributed across all areas of the school, impacting and benefiting a broad cross-section of students, supports all teaching areas of the school, and maintains and improves facilities and educational offerings within the school.

These additional services, infrastructure, equipment, and resources are not otherwise funded by the NSW Department of Education, and are the things that makes a great school like MVPS, even better, for your child.

Together, if **every** family makes their annual contribution per child, the P&C can continue to invest and support the things that make every child's primary school experience even more memorable and enriching. In 2019 the P&C's support for is in addition actively fundraising for MVPS's new 'MakerSpace', a unique, amazing exploration hub that will benefit every child across all curriculum areas.

Your P&C Contribution.

Do your bit today to help every child at MVPS.

The annual voluntary contribution is \$74.00 which is split two ways – \$40.00 for P&C Building Fund (tax deductible) and \$34.00 for the P&C General Contribution.

Did you know?

Over the past 5 years the P&C has collectively returned over \$450,000 back to the school community. These are just some of the ways...

Air conditioners for every classroom

New water bubblers around the school

Supporting P&C Band & Strings, Orchestra, and Jazz and school music programs

Bus Passes 2020

Applications for student travel in 2020 opened on Friday, 11th October 2019.

Students progressing to Year 3 and Year 7 no longer need to re-apply if they:

- are continuing at the same school
- are residing at the same address
- have not been sent an expiry notification from Transport for NSW.

Where a student meets the new distance eligibility, the system will automatically update their entitlement. If they do not meet the new eligibility, they will receive an expiry notification via email.

Students who have an entitlement approved under a medical condition which is due to expire will receive a notification advising them to re-apply.

Term Bus Pass holders will receive a notification to re-apply. If students need to update their information or re-apply, they should go online to <https://apps.transport.nsw.gov.au/ssts/updateDetails>

Applications need to be submitted before 31 December 2019 to ensure student entitlements are updated and their current entitlement/card is not cancelled. If their application is submitted after 31 December 2019, the system will automatically cancel an entitlement/card and a new one will need to be issued.

Students in the Opal network applying for a SSTS or Term Bus Pass entitlement for the first time will receive their card at their nominated postal address. Cards will be mailed out from January 2020.

After School Care

Parents, please if your child is booked into an after school care provider and you change your arrangements please notify the provider.

School admin staff and After School Care staff spend a lot of time each afternoon looking for "lost" children. Please be considerate and save them the stress, phone calls and time looking for children who are actually happily at home with their parents.

Volunteers

The canteen needs volunteers all the time!

We have over 2000 parents at school and around 40 regular canteen volunteers. The roster can change at any time due to volunteer appointments/sick children/sick parents/life!

Ideally every day we need 2 or 3 volunteers and on a Friday, 4. There are always ways to help in the canteen so please don't be shy! If you have time or want to help out at any time, get in touch by popping in or emailing on canteen@monavalepspca.com.au.

Flexischools

Watch out!

Our Flexischools choices will vary in Term 4 – watch out for some new choices and some changes to existing choices – there will be changes.

Great opportunity for children to try something new.

Tip

If you find mornings are a rush at home then please use Flexischools to order the night before or set up a recurring order on days you know are going to be crazy!

Enjoy

Enjoy the canteen community, get involved, encourage your children to try something new if an item they'd like or normally have is not available. Be positive about food.
