Welcome to  
**WEEK 1!**

## Important

Lots of information has been added to the website under Notes Term 1.

## Keep Informed

Please take the time to go through and read it, we are confident if you have a question the answer should be there!

“Challenges make life interesting, however, overcoming them is what makes life meaningful”.

# From the Principal

Dear Parents

Welcome back I hope you had a great holiday break with family and friends. I also extend a warm welcome to our new Kindergarten students and families and to new students in other grades. I would also like to welcome new staff members Marie Leacy Year 6, Amanda Tebbatt, QTSS Support and Michelle Flaskas, Office Administration. I look forward to an exciting year for students, staff and the community.

## New School Starting And Finishing Times

This year staff will be on duty from 8:20am with classes starting at 8:50am, a change of 5 minutes from last year. School finishing time will remain the same at 2:45pm.

## Duty Teacher

The school provides teacher supervision of students from 8:20am and at recess and lunch breaks. Teachers can be identified wearing a Pink Vest. Parents who are onsite and witness any behaviour or incident of concern, are asked to report it to the teacher on duty. Parents are asked not to intervene in students matters, other than their own child, as this is the role of teachers and may lead to exclusion from the school grounds in serious matters.

## School Communication

The school App and Mona Vale Mail are the one source of information for families, please take the time to read the Mona Mail each week as it contains all the information you need to know to keep up-to-date with what is happening around the school. The Mona Vale app is also a great resource for keeping in touch. Grades will provide information to parents as required. Please make sure you read these as we are a large and complex school and it is easy to miss things if you don't keep on top of school communication.

## Year 6

Expression of Interest for high school 2020 will be coming home in March, please note we must have your correct address on file by Friday 8th February. If you have recently changed your address, please advise the office before Wednesday 6th February. Proof of your new address is required.

## **Year 6 Meet The Teacher**

Year 6 'Meet the Teacher' is next Thursday, 7th February 2019, 5pm-6pm. We will be starting together as a grade in the school hall and then break off into individual classrooms to meet your teacher and speak about specific class expectations. We have brought our meeting forward this year to discuss important information for the year and school camp, which is in Week 4. We look forward to seeing you all then.

## **Classes 2019**

Students have settled in quickly to their new classes. Last year we spent considerable time forming classes based, in part, on information parents provided to us. Please let your child settle into their new class as changes are difficult once classes have been formed. Teachers can be contacted via letter or phone to make an appointment should you wish, please allow two working days for a response but we are all working on a 24 hour turn around if possible. Staff as a general rule will not respond to parent emails after 5pm.

K-5 grade 'Meet the Teacher' meetings are being arranged and you will be notified of days and times shortly.

## **Professional Teachers, Respectful Parents**

Schools are most effective when staff and parents work together to support students and their learning. I am very proud of the level of professionalism of the staff at Monavale and as a staff we are always looking to support students and parents. I hold very high expectations of my colleagues and am confident any interactions with them will be professional and focused on student success.

As a principal, I also hold high expectations of how parents and the community will interact with staff while they are doing their job in the work place. Monavale has as one of its a core values, Respectful Relationships and I ask that when dealing with staff you keep that in mind. I believe any issue can be resolved if we come together with good will and respect.

- Year 6 information and applications for 2019 PCS High School Extension tests.
- Year 5 sleep over information and a medical form which needs to be returned.
- Year 3-6 PSSA Trials
- CAPA Rehearsal/audition timetables and information about groups for 2019, choir, dance etc
- Year 6 Graduation Jacket
- Grade Newsletters

## **Swimming Carnival Absences**

If your child was absent from school on Wednesday, please send a note to your class teacher to confirm their absence from school. See information further down regarding absences.

## **Term 1 Accounts And Permission Notes**

For the benefit of new parents, I will briefly explain how accounts and granting permission works at Mona Vale Public School. Each term parents are emailed a statement of account. This account will have activities that your child will be doing throughout the term, Term 1 also has voluntary contributions (please read the information that is sent with the account, it explains everything in detail). Students will also come home with a Term Permission note for activities the students are involved in.

These items are usually distributed during the first week of each term, with exception of Term 1. I anticipate sending these home in Week 4. An app message will be sent out to inform you that they are on their way.

We would appreciate prompt payment of the accounts to enable us to have funds available to pay our suppliers. Our preferred method of payment is POP which is our Parent Online Portal (more information will come home with the accounts). Payments paid by POP receive an emailed receipt immediately. Please be careful typing in your email address when making a payment, as if it is incorrect it will bounce back.

Payments made by cheque or cash, need to be delivered to the office and placed in the appropriate box, in an envelope clearly marked with the child's name and class. Please do not send large sums of cash to school with your child. As you can imagine, money is easily lost in the playground! Permission notes are to be given directly to your class teacher. Please do not send them to the office.

The term permission note covers all activities within the term. I will inform parents via the school app when these documents have been sent home with students, and via email.

## TIPS, REMINDER, RULES AND PROCEDURES FOR SCHOOL

### Bag Tags

All new school bags sold at the uniform shop have a school bag tag attached. Some of our older students who have had them for a few years now have lost or detached their bag tags. We ask that every Mona Vale bag has a Mona Vale bag tag attached, with your child's name clearly marked. Bag tags can be purchased at the uniform shop or office for \$2. The initial trial with cable ties was found to be unsuccessful as the ties were too tight and caused the tags to snap. Tags will now be attached with a silver split ring, which will come with your new bag tag.

### Food Allergies

We have a number of students at Mona Vale Public School who suffer from food allergies. For some students their allergies can be life-threatening. Therefore, our number 1 rule is NO FOOD SHARING. Whether your child suffers from a food allergy or not it is important that they are aware that they are not to give or take food from another student.

Please do not send any nut products to school with your child. Whilst we cannot guarantee a nut free school, it would be appreciated if you consider the safety of other students and keep these products to enjoy at home.

### Birthdays

Parents are welcome to send in a treat for the class to celebrate their child's birthday. Cupcakes or individual treats are the most convenient option. Please do not send your child to school with a cake and a knife!

If your child has an allergy you can send in a small supply of food that they can have as a treat when the class celebrates a birthday, ie jelly lollies. Please give these to the teacher to keep for these occasions. Please do not purchase iceblocks for the office to store. Our freezer is full of ice packs for the lunchtime sick bay rush and we are unable to store food.

### Student Medications

If your child requires an Epipen, ventolin or any other emergency medication the office must have an Emergency Action Plan from your doctor and an Individual Health Care Plan completed by the parent. Please note this action plan must be updated every year by your doctor regardless of whether your child's condition or medication has changed or not. The Action Plan must be complete with a photo of your child.

Other medications such as antibiotics should be administered at home. Should your child require a one off medication at school please bring the medication to the office and sign a medication authorisation form. DO NOT SEND YOUR CHILD TO SCHOOL WITH MEDICATIONS (apart from Asthma puffers).

## Carparks Are A No Go Zone

There are several carparks on the grounds of Mona Vale Public School. These carparks are for staff only. **For student safety they are NEVER to enter a carpark.** Parents, please help your children to follow this rule by not using the carpark at any time of the day. This includes before and after school activities such as PSSA training and Band.

**PLEASE DO NOT PERFORM U-TURNS IN THE CARPARK DRIVEWAY, NOT ONLY IS IT ILLEGAL IT IS DANGEROUS. RANGERS PATROL REGULARLY AND WILL BE HAPPY TO BOOK YOU.**

Please park your car legally and walk your child into school. Alternately, use the "Kiss and Drop Zone" located on Waratah Street. Please remember this is a drop zone only, if you leave your vehicle the Council Ranger will gladly fine you!

## Pedestrian Gates

For student safety the pedestrian gates will be locked after 9am and will remain closed until pick up time in the afternoon. We ask that if parents are visiting the school during the school day to be aware that entry and exit will be via the Waratah Street entrance. We appreciate your patience and understanding.

## Student Absences

If your child is away for a short period of time due to illness or leave, please write a note directly to the teacher when your child returns to school. Please do not send notes or call the office, as the teachers need to have a written confirmation for their records. If you are planning a holiday and will be away for 10 school days or more please download the form from the school website and return to the office at least a week before your departure.

Please note all absences must be supported by a letter of explanation within 7 days of the absence.

## Keep Informed

The school newsletter, known as the Mona Vale Mail is uploaded to the website at the end of each week. Parents are informed via the school app when the newsletter is available to view.

## Keep Us Informed

If you change your address, or any of your phone numbers please notify the office in writing.

# From the Office

## Label Everything!

Items which have a name clearly marked are more likely to be returned to your child. If your item has a red rag tag, please also add the child's name, it can sometimes avoid it going to the lost property bucket. There is nothing worse than finding a beautiful brand new hat (or IPAD!) without a name.

## Uniform

All students must be in full school uniform at all times. We have a "no hat, no play" policy, so please make sure your child wears a hat to school every day.

# Class Structures 2019

## **Composite Classes**

We have several composite classes at Mona Vale this year. Multi-age classes are made up of students drawn from different year levels. They may be established because of the uneven pattern of enrolment in the school, because of the small size of the school or where it's considered that mixing students of different ages is academically and socially advantageous. It is important to note that numbers do play a large role in class formations, with schools working to comply with department guidelines for class sizes and staff allocations.

Do not worry! Composite classes have been shown to provide benefits to both the older and younger students in the class. Older students often take on a mentoring role, and benefit from helping younger students in co-operative learning situations, while younger students have the opportunity of enhanced learning experiences.

Class selection is formed by several contributing factors; social engineering, study habits, self-motivation, independence, role modelling to provide an optimum learning environment for all students.

Mona Vale Public School have a vision and commitment to cater for the individual needs of every child. We will be holding a short information session for parents who have children in 1/2D & 3/4A on Wednesday 6th February 3pm in the Library.

## **Job Shares**

We have a number of job shares in the school. Job shares come about for a variety of reasons but most commonly are due to the fact that permanent members of staff are taking maternity leave and are working part-time whilst their children are under school age.

The most common split for the week is that one teacher teaches on class Monday-Wednesday and then the second teacher is on class on a Thursday and Friday. However, we do have a couple of classes where the first teacher is on class Monday-Thursday and the second teacher just on the Friday.

Teachers who job share ensure that they communicate regularly with each other and the classroom program is not affected.

You will hear more about the class organisation at the 'Meet the Teacher' information afternoon, which is happening soon.

## 2019 Swimming Carnival Results

What a fantastic first day! Everyone had a great time at our Swimming Carnival. Congratulations to all our competitors as well as all the parents who helped us on the day.

We had 15!!! records broken on the day. One to Neve L, Sam C, Ruby D and Georgie C, two to Jess E, four to Sam C and five to Milla L! Wow! What an outstanding achievement.

Congratulations to **Warringah** our carnival winners.

Well done to our placegetters. Our first 2 placegetters in all strokes will progress to the Pittwater Zone carnival held at Warringah Aquatic Centre on Wednesday 6th March.

Good luck to all our Mona Vale competitors!

# Creative Arts

At Mona Vale we live by the motto respect, responsibility and personal best. Part of giving their personal best is that students give things a try. In the Creative Arts there are so many opportunities for willing, keen students to be involved in. I thought as it was the start of the year I would outline these ensembles for you all.

Below is a table outlining Creative Arts opportunities.

Ensemble Name	Grade Allowed to be involved	Is it audition based?
PCS Choir	Year 2	No
Junior Choir	Year 3 & Year 4	No
Senior Choir	Year 5 & Year 6	No
Infants ART Club	Teachers chose, changes weekly	No- but class teacher dependent
Drama Club	Years 3-5	Yes
Training Band, Intermediate Band, Concert Band, Performance Band & Jazz Ensemble	Years 3-6	No
Big Band	Years 4-6	Yes
Beginner Strings	Years 2-6	No
String Orchestra Symphony Orchestra	Years 3-6	No
Stage One Dance	Year 1 & Year 2	Yes
Junior Dance	Year 3 & Year 4	Yes
Senior Boys Dance	Year 5 & Year 6	Yes
Senior Girls Dance	Year 5 & Year 6	Yes

As you can see there are lots of opportunities for our students to express themselves in the creative arts. Mona Vale staff are committed to excellent in these areas and I encourage students to listen for class announcements and to get involved.

# Creative Arts

---

Mona Vale is a large school and with some of our troupes and ensembles we have to limit numbers. This understandably leads to some disappointments.

I regularly have parents ask me why their child has not been accepted into the dance group. I thought I would clarify this as best as I could. Here is the basic process we decide as a creative arts team.

1. The teacher in charge of the group makes announcements at assemblies, through our class message system and often with a note on bulletin boards, or newsletters.
2. Often auditions happen over more than 2 days as we have so many students audition. For example our senior girls had over 85 students audition for a troupe which has to be 24.
3. Teachers will teach a simple routine and then watch how quickly students pick it up, and if students are 100% engaged and positively behaved during this time. Then they have to make a judgment call on how they feel the students have executed the dance moves they have specifically created for the audition. If possible teachers audition in pairs so they can compare notes and discuss their thoughts. As the creative arts coordinator I also try to attend all of these auditions.
4. The teachers will then do a call back system or ensure every-one got a chance to audition before finalizing their troupe.
5. Finally they very clearly communicate to the students the behaviour expectations and that it is compulsory to attend every rehearsal and concert. Students not willing to completely commit are asked to step aside for those that can.

Can I please state very clearly this is a really tough job. The teachers take no pleasure knowing that students have to miss out. I imagine this is the same for PSSA try-outs; we as teachers lose a lot of sleep making these decisions.

# Creative Arts

---

**So...Why the limited numbers?** The first and main reason is safety. Teachers are only allowed a certain number on any stage and this is dictated to them by whichever concert they are planning to be part of. We are discussing the concept of a dance club where students could just be involved for fun and not perform on a stage but rather for exercise and the joy of music. I will gauge student interest in this idea as the term progresses.

**So... What do I do when my child comes home upset?** I know it is exciting to represent the school in various activities but my first suggestion is to be involved in dance outside of school if it is something they are super keen to develop. Explain to your child that there are lots of students applying for a limited number of places. I also feel this is a good time to carefully navigate the world with your child that in the big world we don't always get into things we want. We keep trying, keep learning and give it another go in the future.

If you still have concerns or questions about this process please don't hesitate to contact me as I fully support the teachers who run these dance troupes. They are fair, kind and go above the call of duty ensuring a great experience for students. If you have any questions about any of the Creative Arts programs and how to become involved please feel free to email me.

On the website there is also the Creative Arts timetable for when all these groups will be rehearsing; so please familiarize yourself with this if your child is planning to be involved in any of the ensembles.

Looking forward to a great year of **Music, Art, Dance and Drama** in 2019.

Kind regards

## Welcome back to Term 1 2019

Our school canteen is open every day except sport carnivals and for the first time our canteen will now provide a **BREAKFAST**, **RECESS** and **LUNCH** menu for the school students and staff.

This is a very exciting development and we hope will prove beneficial for all school families. All ordering from the canteen is through Flexischools – please see the link below.  
[www.flexischools.com.au](http://www.flexischools.com.au)

## How Do I Register For A Flexischools Account?

You can register by following these steps:

- You can access the service by clicking the "Register Now" button.

- Submit your email address to create an account.

- Go to your Inbox and open the registration email from Flexischools.

- Click on the link provided (or copy and paste the link in a new internet browser window).

- Follow the registration process, creating a password and completing your personal details.

- Add users to your account. This could be your students or yourself if you are a staff member, Alumni or friend of the school.

Helpful Hints: If you have a senior student and you would like them to be able to login to see their balance or place online orders for the canteen, please enter their email address during the setup process and they will be sent a registration email.

## New Class Details

Please remember to change your child's class details on Flexischools.

## Breakfast

A breakfast option of **BACON AND EGG ON TOASTED TURKISH BREAD** is available every day. Breakfast orders have to be made 24 HOURS in advance and are picked up from the canteen at 8:20am. Orders must be collected before 8:35am and food must be consumed before going into class.

TIP: It may be helpful to set up a recurring order for BREAKFAST if you know your child will be training, or at Band before school on a set day each week.

## Recess

Orders for **RECESS** items are placed in the same way as lunch orders – cut off is 8:55am daily. There is a selection of items that are available for RECESS. Recess orders are picked up by the students from the canteen at recess time.

You can order a recess and lunch order for your child and they will be prepared separately. If a child forgets to pick up their recess order it will be sent to their classroom at lunch time with the lunch orders.

# Canteen

---

## Recess - Kindergarten

Please note Kindergarten students can not visit the canteen during Term 1, so please do NOT place recess food orders. Lunch orders are delivered to the class.

## Forgotten Lunch Orders

Every year I have been Canteen Manager, the numbers of forgotten lunch orders has gradually increased.

I've no idea why this is! The canteen loses a lot of money each year from forgotten lunches as replacements are prepared but not paid for.

One of the focuses of 2019 is to reduce the number of forgotten lunch orders. I have 4 children myself and a single mum so I completely appreciate busy lives and busy kids.

Here are some tips that I found helped in my house when my children were at primary school.

## Here Are Some Tips:

1. Get organised.
2. Choose which days each week you want to place lunch orders.
3. Talk about what the options are for lunches. Be practical. Keep things simple and easy.
4. Many families use the recurring lunch order option on FlexiSchools so they know on certain days – generally days which are busy home days with work etc.
5. Make a school check list at home – water bottle, library books, sports days, hat, recess, fruit break, lunch etc. Ask your child to check the list before you leave for school. Be organised.
6. Order or prepare your child's lunch the night before.

## Replacement Lunch

If there is no lunch order for your child and they do not have a lunch from home, they will be given a ham/cheese or vegemite sandwich. Their name will be given to the school office and the cost will be added to your school account.

## Term 1 Roster

Volunteering in our school canteen is a terrific way to make new friends, learn about school life and make your child very excited about school.

Our canteen is run by the P&C and all our profits go directly to the school. We run with the support of many volunteers from the school community and we are always looking for an extra pair of hands. Please consider your role as a volunteer this year. Any amount of time is beneficial to the canteen. Many volunteers commit to once a month but also many commit to once a Term. There is no experience necessary to volunteer. If you'd like to join our Canteen Team please contact me on 9997 2442 or [canteen@monavalepsca.com.au](mailto:canteen@monavalepsca.com.au)
