

Canteen cards - Kindergarten to Year 6

Please see instructions below from the canteen on how to set up your card (if you wish to do so)

GETTING STARTED

Parents can go into their existing Flexischools account and link their child/ren. A card can only be linked to one Flexischool's account. Once you link the card to Flexischools you won't need to do it again.

Parents can also set a daily limit for their child; we strongly suggest doing this. Please see the recess menu, with prices, so you can decide on a limit. In addition to the menu, we offer sausages rolls & chicken pieces on a rotation basis at \$3.00.

If no daily limit is set, then there is no limit to what your child can spend per day (as long as there is a credit on your Flexischools account). You can view your child's transactions at anytime through the Flexischools app via the wallet.

Please copy and paste this link into a browser for step by step instructions:

<https://flexischools.zendesk.com/hc/en-au/articles/8621993621017-How-do-I-link-a-student-card->

Once you have linked the card, please check you have funds in your Flexischools wallet, for your child/ren to access via their card. Please ensure that you have entered your child's card number.

Please note we do not take cash payments.

LOST CARDS

The first canteen card is provided to your child/ren free of charge, however should your child/ren lose their card, a replacement can be ordered at a cost of \$7.00 through Flexischools, under uniform shop. These cards are for use for the full 7 years at MVPS.

If you have any questions, please e-mail Karen at uniformshop@monavalepandc.org
