Medicines and how they can help us.</p> <p>Movement, skill and performance</p> <p>A focus on cross country running, Indigenous games and Fundamental Movement Skills and team physical activities for the Athletics Carnival including, egg and spoon, sack races, tunnel ball, over and under, stilts, quoits and running races.</p> <p>Westmeads Feelings Program will be completed each week.</p>	<p>Across the term In music students will be studying the violin and string performance. They will learn the basics of playing the violin, which will include bowing and plucking techniques. They will be actively listening to various pieces of classical music that feature the violin and other instruments of the orchestra. Through this, students will engage with classical music and the historical context of selected pieces and will develop their personal and ensemble performance skills. Singing and movement will be part of each lesson to enhance their overall musical skills and experience.</p> <p>In drama this term students will explore mime and movement drama, creating different characters, shapes and scenes using body movement and mime.</p> <p>Visual Arts based on Literacy</p>
